EXPERIENCE

Hope Again

Web Designer

April 2015 – June 2015

- Designed and developed a new site to establish a modern web presence. The intuitive layout allows users to access content with fewer clicks

Yahoo!

User Experience Design Intern

June 2014 – August 2014

- Drove the visual design, co-developed effective user flows, and participated in usability testing and interviews to establish clear product goals for a new mobile application
- Integrated a new product feature that would allow millions of daily users the ability to efficiently customize their emails
- Helped incorporate the Paperless Post widget into Yahoo! Mail's compose experience

Yahoo!

User Experience Design Intern

July 2013 – August 2013

- Updated icons for Yahoo! Mail, Calendar, and Contacts; replaced broken metaphors with more appropriate symbols
- Conceptualized and designed content solutions for empty state pages within the Yahoo! Mail product. Promoted user engagement by exposing users to other Yahoo! products
- Collaborated with a partner to develop a playful onboarding flow that highlights the redesigned Mail product's key features
- Designed posters to motivate talented applicants to apply for Yahoo! Mail's open technical positions

MK303

User Experience Designer

August 2012 – May 2013

- Produced all print media used to market the budding company: business cards, informational brochures, and promotional fliers
- Designed MK303's website; collaborated with an engineering team to successfully implement the design into the build
